3. PAYMENT TERMS

- **50% deposit** of the Total Project Price is due before any work begins. This deposit is **non-refundable** once work has commenced, as it compensates time and resources already committed.
- The remaining **50% balance** is due upon Client approval of the completed site and before final files, source code, or domain/hosting credentials are transferred or the site is published live.
- All payments are one-time, flat fees for the scope defined in Section 2. No hourly billing applies unless expressly agreed in writing for change orders.
- If the final balance is not paid within **7 calendar days** of the Studio's completion notice, a late fee of **5% of the**

outstanding balance applies for each additional 7-day period unpaid, and the Studio may suspend site access or take the site offline until paid in full.

- Accepted payment methods and invoicing details will be provided separately by the Studio.

4. OWNERSHIP & DELIVERY

All designs, code, and project files remain the sole property of the Studio until the Total Project Price is paid in full. Upon receipt of full and final payment, ownership of the completed website transfers to the Client. The Studio retains the right to display the completed project in its own portfolio and marketing materials unless the Client requests otherwise in writing.

5. TIMELINE & REVISIONS

Estimated Delivery:

...from the date all required Client materials (text, images, logo, and other content) are received. Delays in Client-supplied content or Client feedback extend the delivery timeline accordingly and are not the responsibility of the Studio. Revision rounds included are limited to the number defined for the selected package in Section 2; additional revision requests beyond that number are billed as a change order per Section 6.

6. CHANGE ORDERS

Any request that adds pages, features, or functionality beyond the scope defined in Section 2 constitutes a change order. Change orders require written agreement on additional scope and additional fee **before** work on the change begins. The Studio is under no obligation to perform out-of-scope work without an agreed change order.

7. CANCELLATION

The Client may cancel this Agreement in writing at any time. If cancellation occurs after the deposit has been paid, the deposit is forfeited and non-refundable. If cancellation occurs after work beyond the deposit stage has been completed, the Client owes a pro-rated fee reflecting work completed to date, in addition to the forfeited deposit, before any partial deliverables are released.

8. OPTIONAL MONTHLY MAINTENANCE

An optional maintenance plan is available at **$100/month** , covering unlimited content updates, security monitoring, performance optimization, and priority support. This add-on is billed separately, may be added at any time after launch, and may be cancelled by either party with 14 days' written notice. Maintenance is not included in the base project price unless separately confirmed in writing.

9. LIMITATION OF LIABILITY

The Studio's total liability under this Agreement, for any claim of any kind, shall not exceed the total amount actually paid by the Client under this Agreement. The Studio is not liable for indirect, incidental, or consequential damages, lost profits, or business interruption. The Studio is not responsible for outages, errors, or policy changes of third-party services (including but not limited to hosting providers, domain registrars, payment processors, or analytics platforms) integrated into the Client's site. The Client is solely responsible for the accuracy and legality of content, images, and materials it supplies.

10. INDEPENDENT CONTRACTOR

The Studio is an independent contractor. Nothing in this Agreement creates an employment, partnership, joint venture, or agency relationship between the parties.

11. CONFIDENTIALITY

Each party agrees to keep confidential any non-public business, technical, or financial information disclosed by the other party in connection with this project, and not to disclose it to third parties without written consent, except as required by law.

12. GOVERNING LAW & FULL AGREEMENT

This Agreement is governed by the laws of the State of Florida. This document constitutes the entire agreement between the

parties regarding this project and supersedes any prior discussions or proposals. Any amendment must be in writing and signed by both parties.
